Town of Dumfries COUNCIL POLICY

Subject	Fundraising and Donation Policy
Policy Number	CP02-13
Original Effective Date	February 5, 2013
Revision Date	

TOWN OF DUMFRIES FUNDRAISING AND DONATION POLICY

The Town Council wishes to have an existing policy in place for those individuals or businesses who may wish to assist the Town in implementing programs or initiatives. To do so, the Town wishes to develop and implement a policy for fundraising and receiving donations for established or identified Town programs, departments and/or initiatives. Identified but un-established programs or initiatives are those comprised in the Town's most recently adopted Capital Improvement Program. There may be tax advantages for those who may be willing to donate funds for Town programs, departments, and/or initiatives. The Town will account for all donations including those from fundraising activities with a line item maintained in the budget. The Town Manager or his designee shall be responsible for accounting for all received, approved, and accepted donations. At the end of each fiscal year, donations received during that year will be reported to Council.

I. Fundraising Guidelines for Fundraising

1. The Dumfries Town Council will approve all fundraising efforts by a majority vote of the Council in advance. Details of the fundraising project or program will be approved in advance by the Town Manager and/or his designee.
2. Approved fundraising events, shall have a clear, identifiable message for the goals for fundraising, including an accurate statement of the programs to be benefitted, items to be acquired, and the purpose for which all money received will be used.
3. All fundraising donations that are not earmarked for a specific existing program, or one identified by the adopted Capital Improvement Program, shall be incorporated into the general fund and such funds shall be spent according to the needs of the Town as determined by the Town Manager.
4. All earmarked donations from fundraising activities shall be spent accordingly or they will be returned to the donor. Should the donor not be able to be reached in

the event that a Town program is abandoned or altered, then the Town Manager will bring the matter before Council with a recommendation for reallocation of the donated funds. A resolution must be passed approving the reallocation of the donated funds before any the funds may be used in a manner not consistent with the original donation.

II. Donations—Guidelines for Acceptance of Donations

1. Once donations are received for a specific purpose, the Town Manager or his designee shall see that the funds or donated items are used in accordance with that purpose. However, should a specific program no longer be active, the Town Manager may use his/her discretion to reallocate donated items or funds for a similar program with similar goals.
2. The Town government and Council will be mindful of the Virginia Conflict of Interest Act (COIA) in deciding to accept donations of funds or property and may determine that in some circumstances, proffered donations are not able to be accepted.
3. Donations may be eligible as a charitable contribution under the Internal Revenue Service but the Town will not participate in placing a monetary value on any donated items. Rather the Town may only acknowledge the acceptance of a gift. The Town reserves the right to not acknowledge the tax deductibility of a donation should there be any concern about a *quid pro quo*.
4. All donations must be accepted by the Town Council by resolution passed by a majority of the Council.
5. There shall be complete transparency of any donations proffered and/or accepted by the Town. This means that the proposed donors will be appropriately and publically acknowledged.
6. All earmarked donations including those donations from fundraising activities or otherwise, shall be spent accordingly or will be returned to the donor. Should the donor not be able to be reached in the event that a Town program is abandoned or altered, then the Town Manager will bring the matter before Council with a recommendation for reallocation of the donated funds. A resolution must be passed approving the reallocation of the donated funds before any the funds may be used in a manner not consistent with the original donation.

III. Specific Charitable Programs

1. Christmas in Dumfries:

Christmas in Dumfries is a program that has been administered by the Town of Dumfries Police Department annually in December. Qualifying families'

children may participate in this program whereby children are able to shop with a police officer at a local retail store for presents for their families.
